My dearest patients-

Over three years ago, I was given the opportunity to begin my career as a nurse practitioner with a wonderful group of Providers here at Family Practice Associates of Upper Dublin. Being part of this office and community has been both an honor and a privilege.

While I have learned so much and enjoyed being part of your healthcare team here at FPUD, I have decided to take a step back from practice to spend more time at home with my family. This was a difficult decision and I hope you know I did not come to this decision lightly. In moving forward, I have the utmost confidence in the care that you will continue to receive from my colleagues at Family Practice Associates of Upper Dublin.

I am grateful that you, as patients, have entrusted your health and care to me. I have enjoyed being part of your lives over the past three years. If there is anything that needs to be addressed prior to my departure, I encourage you to call and schedule an appointment with me between now and October 14<sup>th</sup>, 2021.

With care and my deepest appreciation-

**Patricia Kelly, CRNP**
